Summary of Evaluation and School Development Plan
Ysgol Bro Dyfrdwy

This is an overview of the school's development areas that we will focus on during the 2026-2027 academic year to ensure that we continue to provide the best we can for our pupils.

Priorities

- Enriching the provision of advanced reading skills for pupils in Welsh and English by promoting effective pedagogy, including pre-reading skills.
- Refining the pedagogy of the 5 Mathematical Proficiencies to develop pupils' numeracy skills across the school
- Developing an Assessment System to Track Pupil Skills Progress across the Curriculum

Leadership

- The self-evaluation framework in place ensures that continuous review is an integral part of school life.

Curriculum

- Our curriculum offers a variety of rich experiences that nurture learners who are proud of their Welshness and the culture of our local area.

Teaching and Learning

- A constant priority is given to developing pupils' literacy, numeracy and digital skills across the curriculum.

Wellbeing, Equity and Inclusion

- The School offers a variety of outdoor activities i.e. Forest School
- There are robust arrangements in place to assess and support learners' well-being.

Previous Successes

Provide more opportunities for pupils to make decisions about how they organize and present their work, and think for themselves and how they respond to learning tasks

- Introducing Skills Boxes
- Theme Starter Sheet
- Homework Sheet

Provide regular opportunities for pupils to apply their numeracy skills across the curriculum

- More numeracy-based thematic tasks
- Maths Skills Videos
- Using the White Rose scheme

Strengthen leadership and continue to develop distributed leadership

- Pennaeth Newydd wedi sefydlu
- Staff wedi penodi
